

**Apple and Pear Export Readiness  
and Market Access (AP17002)**

**Thailand Apple Pricing**

**WB 13 April 2020**

---

## Thailand Apple Pricing

Pricing has been sourced from the online websites of TOPS and Tesco Lotus., the largest supermarket and hypermarket operators respectively. They are only meant to provide a directional input into the pricing across a market. Pricing will be updated monthly.

Should you wish to be introduced to any of the below retailers or have a discussion with current exporters to the Thailand and wish to provide them your fruit to export, please contact Justin Smith at APAL for a further discussion.

The pricing provided is for the week beginning 13 April 2020.

The exchange rate at the time was 1 AUD = 20.02 Baht
